Action Queue:

- P0: ?????????????????????? CSV ???????

Assumptions:

- Only Reviewed events with evidence_link or evidence_path are counted in spend, impulse, fixed-cost, and pressure summaries.
- PendingReview, Rejected, or missing-evidence events stay in the ledger but do not affect guard metrics.
- monthly_investable_budget is a user-supplied planning value; it is not read from bank, payroll, Alipay, tax, or brokerage systems.
- Risk scores are behavior-review aids, not medical, legal, financial, investment, or payment advice.
- No payment, transfer, bank action, investment order, or external account action is executed.
