Assumptions:

- This radar stores manually reviewed policy opportunities; it does not claim real-time policy coverage.
- Only Reviewed opportunities with Official/Regulator/Government/Exchange source type and source evidence are Actionable.
- Research, News, or Manual sources can support Watch or Observe status, but not Actionable policy decisions.
- Scores are prioritization aids, not proof of subsidy availability, regulatory approval, investment return, or compliance advice.
- No trading, payment, application submission, legal filing, or government-portal action is executed.
